

Screen Washer II

Window Cleaning Products

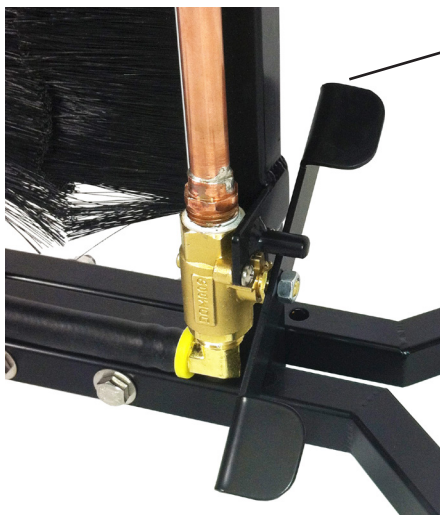

NEW!

IPC Eagle

The FASTEST way to clean a screen perfectly!

- Simple, Quick & easy to use
- Compact portable design for transport
- Chemical free, fresh water clean and flush.
- Durable design, built to last.
- Thoroughly cleans the entire screen and frame from both sides at the same time, virtually eliminating screen damage caused by traditional cleaning process.

The NEW Foot Valve provides hands free operation to control the water flow to the spray nozzle between screen cleanings!

Simply move the screen through the unique overlapping 36" brush assembly. The screen is flushed with water as both sides of the screen are cleaned simultaneously.

Open side design allows screens of all sizes to be cleaned easily.
